Partners Training for Transformation have been “playing” with **Paulo Freire's** ideas and methods for many years with different groups and communities.

We have been engaged in two tasks:

- ◆ Making practical use of Freire’s ideas and methods in our work with groups, organisations and communities .
- ◆ Introducing people to Freire’s ideas and methods.

This workshop is born out of that experience and will focus on:

PRACTICE: An introduction to methods, examples of codes, case studies

PLAY: The creative use of **Freire** and the adaptation and combining of his ideas with others’.

PRINCIPLES: The key ideas and insights **Freire** offers

The workshop will be very participatory and experiential. While the main focus will be on the practical use of Freire there will be short inputs on the ideas behind the practice.

When and where will the course take place and how much will it cost?

The workshop will take place on Wednesday 15th and Thursday 16th November 2023, from 9.45 am to 4.30 pm at Kimmage Manor, Whitehall Road, Kimmage, Dublin 12.

Early bird offer. € 190 if paid in full by 6th October 2023

Cost after 6th October is **€230** (payable by invoice)
